HEADQUARTERS ONE HUNDRED SIXTY-SEVENTH

Dear Daddy:

I got the letters today and was glad to day, and was glad to hear from Bert. I know he will be alright. Ft. McKinley is not much in the firing line, now, and when the firing is going on, they move the Officers and offices to an undisclosed spot, so as not to burn the records. So I guess Bert is alright.

I am sending the letters back, and I want you to be sure and keep them all on file so as not to lose any of them. Put them together in a box. Please keep me posted on the news at all times.

The first serial of furloughs are supposed to leave tonight, but I don't know as yet whether they will be canceled or not. I sure hope not.

Write soon, and let me know the news.

Love,

Harold

P.S. The furloughs have just been cut to 15 days. I think I'll take mine Dec. 22 to Jan. 1. How's that? So I guess I'll come home instead of N.Y.!!
